CARDIO BEEPER GIFT

Selectmen (above right to left) R. William Blasdale, William Hubbard and Donald Linhares are shown as they accept a cardio beeper for the town from Mrs. Mary Helfand who presented the gift as representative of the Mattapoisett Women's Community Guild. This beeper will be part of the equipment of the town ambulance and will be used to transmit heart beats to the receiver at Tobey Hospital via telephone. Doctors monitoring these heart beats can then recommend immediate emergency procedure to the emergency medical technician of the ambulance crew to be followed as the patient is enroute to the hospital. Selectmen asked Mrs. Helfand to extend their thanks to Guild members.

ENGINEERING CONTRACT SIGNED

The Board of Selectmen signed a contract with Tighe and Bond, consulting engineers for the town sewage system.

WEIGHT: 143 POUNDS
BACK PANEL: STANDARD-
34½" high x 42" wide

Note: This panel easily adaptable to most fireplaces.

Better 'n Ben's is the most exciting and innovative breakthrough in woodburning stoves since the Franklin.

Uniquely, but simply designed, Better 'n Ben's is placed directly in front of the fireplace opening. The combined stove and fireplace cover panel is securely and safely fastened in minutes so the stove utilizes the existing fireplace flue.

Now, instead of the heat going up the chimney, it is recovered and will provide warmth for large rooms and in many cases, entire homes. It will burn seasoned wood throughout the night.

Homeowner reports on this new stove cite up to 60% savings in fuel oil costs and the kilowatt consumption in electrically heated homes cut more than half.

Better 'n Ben's is attractive in the home and made of sturdy, long-life, heavy, black iron that radiates heat well. It has a broad top to provide a large cooking surface.

Fully guaranteed.

We have a kit available to convert Better 'n Ben's to a free-standing stove for use anywhere.

Also available: See-through Screen Door for viewing fire.

The contract has been under work and study by Town Counsel Donald Fleming who was present to answer Selectmen's questions on details.

BOYS ASK HANGOUT LOCATION

In response to an initial request a week previously, Selectmen set up a conference with the Town Sports and Athletic Committee on a place for teenage boys to spend the evening. This meeting was attended by the Board of Selectmen, Girard Oliva of the Sports Committee and a contingent of town boys age 14 to 19. The boys' complaint concerned an alleged "hassling" by police and homeowners in the vicinity of Center School. Mr. Frank Sylvia of Main Street, a parent in attendance, explained that the boys need a place to gather from 6 to 9 in the evenings - a place secure from adult supervision where they can swear if they want to. Mr. Oliva said that the Sports Committee had many programs for youth but most utilized school facilities available only in the summer since they are not available during the time the schools are in session. He said that various locations have been studied but were not suitable so that problem remains. Mr. Oliva said that filling this 6-9 period seven days a week is also beyond the capability of a volunteer group however the sympathy might be with the need.

Selectmen R. William Blasdale reviewed the cause of the police check on the youths who gather on the streets at night. Mr. Blasdale said that, soon after he took office, residents surrounding Center School

grounds appeared before the Board with an intolerable problem. They said that the quality of their life was threatened by the foul language that they were forced to endure from the school grounds and that their property was being destroyed by vandalism. To protect these residents, their property, and school property, the grounds were closed and police were ordered to maintain a regular check that would insure peace in that neighborhood which they are doing.

The teen-age spokesman for the group of boys confirmed the Selectmen's evaluation of the vandalism but said it no longer existed.

Mr. Oliva promised the boys that he would discuss their request with his full committee and see what ideas they could come up with.

One bid was received on 2 police cruisers. The total of $7,090.78 includes trade-in of the present cruisers. Ashley Ford of New Bedford submitted the bid which the Board took under advisement.

Dr. Mysliwy Dies

Dr. Stanley J. Mysliwy, 70, Mattapoisett dentist and sportsman, died Wednesday, February 25th, while wintering in North Miami, Florida. Dr. Mysliwy, whose residence and office is on Water Street, was buried Tuesday after services at St. Anthony's Church in Mattapoisett.

Dr. Mysliwy and his wife Anna K. (Moson) were residents of the town for many years. He was active in town affairs serving on the Mattapoisett Board of Health for 14 years until 1973. He was a member of the Mattapoisett Lions Club and the New Bedford Dental Association.

It will be fondly recalled that Dr. Mysliwy was the originator of the Mattapoisett Soapbox Derby which was run on Ship Street every year for several years much to the enjoyment of local youngsters.

The doctor was fisherman, boatman and as familiar with wharf activity as anyone in town. Even in the process of filling a tooth, he would pause to drink in his view of the wharf and harbor. His bass boat, the Anna Kayem, was enjoyed by both the Mysliwys and their friends during the years that he owned her.

The Pilgrims' first winter didn't offer much to be thankful for.

In the winter of 1620, a small town began to grow on the shores of Plymouth.

But as it grew, its population declined. More than half of the Pilgrims died, sometimes at the rate of two and three a day.

It was the toughest of winters. It was a season of starvation where the best meal that could be offered the sick was some codfish and spring water.

But our forefathers perservered. The following October, twenty acres of corn ripened beautifully, and the Pilgrims were partakers of plenty.

Because of a unique group of men and women who were committed to Plymouth back in 1620, we won't have to face that kind of winter in our lifetime.

The tradition of that special commitment is alive in the people today who have inherited Plymouth Colony. And it's alive at Plymouth Savings, Plymouth County's largest bank.

You might not be out to create a village in the wilderness, but you've probably got some pretty big things planned for your life. Plymouth Savings wants to work with you to make them all realities.

The big things happen here...

Our Bicentennial Election

Editorial - D.C.J.

Like many another citizen of the United States, I approach the coming national election with the feeling that there is a delicate choice to be made. Among the giant cast of aspirants to the Presidency, we would all like to make the decision that would do the country the least harm. In our nation's swift rush into Socialism, we would rather derail the most eager practitioners of that system if it were possible to sort out and identify those candidates. The trouble is that it's not. To evaluate the cast of the majority party on the basis of the most socialist liberal you would have to determine who is promising the biggest rose garden - a near impossibility.

Isn't it strange that 200 years ago we started with such a surplus of men of character, leadership and political genius and 200 years later we now have such a surplus of the opposite. The founding fathers were able to distinguish between the promise of happiness as opposed to their guarantee to encourage "the pursuit of happiness". Our whole system was balanced on this single point. In the "pursuit of happiness" they allowed the energetic to seek his full potential. In the promise of happiness for all, our socialists saddle the energetic with an impossible burden for he or she must carry all who lack pride and ambition. Our founding fathers were able to perceive this distinction. Nikita Khrushchev was shrewd enough to know the difference. He told Richard Nixon years ago that his grandchildren would live under socialism.

How many of our presidential aspirants would have the capacity to make that distinction? How many would have the guts

League of Women Voters

"Women in World Development" is the theme of the League of Women Voters of Massachusetts' School of International Relations, to be held March 18th from 9 A.M. to 3 P.M. at John Hancock Hall, Boston.

What role do women play in the economic development of their countries? What effect does economic development have on women? Native speakers representing Russia, the United States, Colombia, India and Zaire will discuss these questions in view of the religious, cultural and political forces in their countries.

Keynote speaker will be Helvi Sipila, U.N. Assistant Secretary-General for Social Development and Humanitarian Affairs, and Secretary-General of the World Conference on International Women's Year. Ruth Clusen, president of the League of Women Voters of the United States and a member of the official U. S. delegation to the INY World Conference, will discuss reactions to the World Plan and opportunities for action by American women.

Youth Hockey

NEWS: Ice time money is due this week-end with good news that the fee will only be 1/2 of the usual fee.

The annual Hockey Banquet for Rochester Youth Hockey is scheduled for May - more on this later.

After two months of trying, it was found out that the Boston Bruins could not accommodate RYHA. The Bruins have so many season ticket holders attending the games that the remaining seats are all with an obstructed view. The Bruins advised RYHA that the seats they were going to sell to us were not ideal and did not want anyone disappointed. Plans are being made to try another professional hockey team.

RESULTS: MIDGET DIVISION: The Rochester Bearcats tied Dartmouth 1 to 1. Scoring was Bill Barrett (Dave Palmer).

pionship with a big win over Acushnet 3 to 0. Mark Fairweather (Chip Urquhart), Tom Figuerido (Rusty Jenney, Steve Reed), and Figuerido (Jenney) finishing it off with a short-handed goal were all that were needed to give goaltenders Jeff Panek and Scotty Davis a well deserved shutout.

The Rochester Kodiaks put it all together as far as scoring goes and defeated New Bedford 7 to 4. Ernie Davoll was the leader in this win with 1 goal and 3 assists. Scoring was as follows: Jim Braden (Lenny Blodgett), Billy Clapp (Dave Cook), Blodgett (Davoll), John Posiviata (u), Davoll (Blodgett), Braden (Davoll), and Clapp (Davoll).

SQUIRT DIVISION: On Monday, February 23, the Cubs again shut out New Bedford 6 to 0. Billy Purtell was in goal with Dave Hubbard (Gary Sherman), Billy Leggett (u), Sherman (Mark Sanford), Sherman (Kris Smith), Mark Riley (Sanford, Lee), and Hubbard (u) hitting the net.

On Saturday, February 28, the Cubs, with Billy Leggett scoring an unassisted goal, lost to Dartmouth in a thriller. This puts the Cubs in a 3-way tie for first place.

MITE DIVISION: The Rochester Pandas played to a scoreless tie with Tom Jackivicz in goal against Fairhaven.

PEEWEE DIVISION: The Rochester Bears lost to Dartmouth 4 to 1 with Craig Ripple (Jamie Cameron) scoring the only goal.

The Rochester Bruins were shut out by Dartmouth 3 to 0.

tree where it supplies the energy needed to start the leaves growing in the spring. The American Indian was the first to make use of the sap by making a small slash in the tree and collecting the sap that dripped out of the slash. They would then boil off the excess water to produce maple sugar.

This Saturday morning, the Children's Museum plans to "tap" a few of the large sugar maples at the Museum Outdoors, collect the sap and boil it down until it is syrup. Thirty-five gallons of the sap are boiled down to one gallon of maple syrup. The general public is invited to the museum on Saturday morning to see how the sap is collected and boiled down into syrup. The people will also learn how the sap is produced by the tree and what the tree uses it for.

This program will take place at the Museum Outdoors at 100 Old Westport Road in North Dartmouth on Saturday morning, March 6th, at 10:00 A.M. Admission is free. All are welcome.

CLASSICAL DYES

A study of the techniques of mordanting and dying wool used for centuries with dyes such as logwood, cocchineal, and indigo will be a course at the Museum Outdoors in North Dartmouth. Participants will be actively involved in the dying processes. The course, taught by Pat Lucas, is offered following the very successful natural dyes course of last summer (the first course is not a pre-requisite for this course).

The course meets from 1 to 3 P.M. on Saturdays at the Museum Outdoors in North Dartmouth on March 6, 13, 20 and 27. Course enrollment will be limited to 10. A fee is charged for this course.

O.R.R. Sports

The Old Rochester Regional High School Varsity Hockey team brought its regular season to a close Thursday, February 19th. The team's overall record was eight wins, two losses and three ties, earning them a second place spot in the division. David Hickey led the team on offense with nine goals and thirteen assists on the year. Seniors Bob Moody, Scott Moore, Dave Whitney and Junior Doug Cameron contributed to the offense greatly during the season combining to score a total of 30 goals and 26 assists. Sophomores Bill Barnes, Ken Clarke and Tom Morse scored the remaining ten goals and along with Chris MacDougall and Craig DeLuca added 22 assists to complete the ORR offense. Glen Gaspar was the story defending the net for the Bulldogs during the season. Teams opposing ORR took a total of 516 shots at Glen and he stopped 449 of them, allowing only 67 goals to slip by him. There were two games in division play in which Glen was not scored upon. His goals against average per game was 3.19 and he stopped an average of twenty-one shots each game. The team qualified for State tournament play on February 17 by tying Coyle-Cassidy 2-2. They had hoped to make it to the Boston Garden to participate in second round play but were defeated by Hollis-

To ROBERT L. GIFFORD and BARBARA G. GIFFORD, of Mattapoisett, in the County of Plymouth, and to all persons entitled to the benefit of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended.

NEW BEDFORD FIVE CENTS SAVINGS BANK, a Massachusetts corporation having its usual place of business in New Bedford, in the County of Bristol, claiming to be the holder of a mortgage covering real property situated in Mattapoisett in said County of Plymouth on County Street also known as Church Street, given by Robert L. If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 and amendments thereto and you object to the foreclosure of said mortgage, you or your attorney should file a written appearance and answer in said court at Plymouth on or before April 12, 1976, or you may be forever barred from claiming that such foreclosure made under such authority is invalid under said act.

ning their 56 to 55 game. The team led by 10 at the half but the Diman team slowly cut that lead down in the final quarter as the team was outscored 20 to 9 in that quarter. The efforts of Jimmy and Tommy Lanagan with 13 and 12 points each and Jimmy Hoff with 11 kept the team in the game and gave the team its 15th win with only 6 losses on the season. Jeff Dickerson was high point scorer of the year for the team with over 300 points.

The Freshman team unfortunately ended their season on a sour note with a 62 to 36 loss to Fairhaven. High point scorers on the year were Dave Pina with 154, Steve Labbe with 140, Bill Cattley with 127, and Andy Chase with 102.
